

## Mathematics environment at Centrale Méditerranée

This page is also available in the following languages

- [French](#).

This website describes Centrale Méditerranée's offer in mathematics. It deals with teaching and research. You will find information

- for students: mathematics courses offered at Centrale Méditerranée, degrees in mathematics, information about the research track in mathematics at Centrale Méditerranée
- for companies and institutions such as research laboratories or mathematics departments at higher education institutions: students' mathematical skills if you are looking for an intern or a new employee, expertise areas of Centrale Méditerranée Mathematics Department if you are looking for a collaboration (research project, PhD students).

### Interesting ressources to explain that mathematics can offer for today's and tomorrow's world

Inspiring in [Nira Chamberlain](#) in the *The Life Scientific* BBC podcast: [Nira Chamberlain on how mathematics can solve real-world problems](#)

A very interesting talk on data in medicine with [Pr. Cathie Sudlow](#) in the *The Life Scientific* BBC podcast: [Cathie Sudlow on data in healthcare](#)

A podcast on Big Data with [Anna Fry](#) in *The Life Scientific* BBC programme: [Hannah Fry on the power and perils of big data](#)

Website [emath](#): the official French website on mathematics promoted by SFdS, SMAI and SMF (in French).

Website [Mathematik.de](#): for German speaking people a [collection of testimonials](#) by professionals with a curriculum in mathematics

Blog: [Arthur Charpentierblog d'Arthur Charpentier](#)
