Brief description

This course is taught by highly skilled professionals in finance. Some of them are Centrale Marseille alumni.

This course unit is divided into four parts:

- **Portfolio management** (24 hours) taught by Grégoire Hug.
- **Financial risk management** (24 hours) taught by Réda Rahal: this part is dedicated to credit risk and its role in banking regulation.
- **Applied finance** (24 hours) taught by Julien Belon and Vincent Bonnamy: this part is about the theoretical aspects of corporate and market finance applied in real life.
- **Data Project: data sources and preprocessing** (20 hours) taught by tba.
